*Competitive Bidding*, PP Docket No. 93-253

Dear Mr. Caton:

Transmitted herewith, on behalf of Chadmoore Wireless, Inc. ("Chadmoore") is correspondence from Robert W. Moore, Chadmoore's President, requesting that the Commission make the attached documentation a part of the record in the above-captioned proceeding.

More specifically, Chadmoore on October 20, 1997, filed comments in the above-captioned proceeding which consisted of a Reply to an Opposition previously filed by Nextel Communications, Inc. The attached correspondence and list of supporters provides the Commission with contact information about several parties who are in full support of Chadmoore's position expressed in its October 20 Reply filing. Unfortunately, due to the short filing period applicable in this instance, it was impossible for concurrences to be obtained from all the persons shown on the attached list prior to the October 20 filing deadline. Thus, as concurrences have now been obtained, the Commission is respectfully requested to accept this filing as an informal supplemental support statement on the record in this proceeding. As the list of parties supporting Nextel's position in this matter include emergency medical service providers, state and local governments, utility companies, sheriff's departments and other entities having critical and vital safety-oriented responsibilities, it is submitted that acceptance and review of this list of supporters will be beneficial to the Commission and will clearly serve the public interest. Thus the Commission's favorable response in this instance is respectfully requested.

No. of Copies rec'd 0+5  
List ABCDE

It is believed that the attached item is in the proper order for its intended purpose. However, should the Commission have questions concerning this matter, kindly contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick D. Rhodes". The signature is stylized with a large, looped "R" and a cursive "Rhodes".

Re: Chadmoore Wireless Group, Inc.;  
List of Parties Supporting Chadmoore's  
Reply to Opposition  
of Nextel Communications, Inc.

Dear Sir or Madam:

On October 20, 1997 Chadmoore Wireless Group, Inc. ("Chadmoore") filed a Reply to an earlier filed Opposition of Nextel Communications, Inc. Attached hereto is a list of parties who are involved in the operation or significant users of Land Mobile facilities in the 800 MHz radio spectrum, and who have a particular interest in the 800 MHz rulemaking proceeding.

This is to inform the Commission that a copy of Chadmoore's Reply has been reviewed by the persons named on the attached list, and all have expressed their unqualified support of Chadmoore's position in this proceeding. Accordingly, it is respectfully requested that this list of supporting entities for our pleading be made a part of the FCC's record in this docket proceeding, such that the views of these parties may be taken into account during the Commission's deliberations in this matter.

Respectfully submitted

Robert W. Moore  
President  
Chadmoore Wireless Group, Inc.
